## Guidelines:

1. No smart phone use unless you are making a *Lifeline Call*.
2. *Lifeline Call*: Call for a helpful suggestion during any part of the race.
3. If you feel stuck or off course, call me so the game remains competitive! No challenge should take more than 15 minutes.
4. Take note of boundaries on the map.
5. All team members must be present to begin a challenge.
6. You are finished when all team members cross the finish line. (If a member has to forfeit mid-race, your team will not be penalized).
7. Have fun!!!
